NATHAN SMITH RACING SPONSORSHIP OPPORTUNITY

Thank you for considering sponsorship support for the Nathan Smith Racing Team. We understand the foundation behind the success of any race team is its sponsors! Our team recognizes this and is committed towards maximizing the potential exposure at our disposal for our sponsors.

Starting his 11th season of racing, 14-year-old Nathan has established himself as a competitive racer, always at the front of the pack, battling for the win at any track. He began his racing career in Quarter Midgets in 2012 at the age of 5 and completed four years of racing in the Junior Honda and Junior Animal classes. He then moved to the Bandolero Bandit class in 2016 and raced at the Waterford Speedbowl, CT, Seekonk Speedway, MA, and Monadnock Speedway, NH. In 2019, he moved to the Bandolero Outlaw class, and captured the Phil's Propane Triple Crown Championship. Over his four years of bandolero racing he stood proudly on the podium many times.

In 2020, always seeking to grow and challenge himself, Nathan, at the age of 13, became the youngest driver to ever compete in the ProTruck series with adults. He raced at both the Waterford Speedbowl, CT in the weekly NLWS Truck series and at Lee Speedway, NH in the EXIT Realty ProTruck Northeast touring series. In his first race ever, Nathan captured a second-place podium finish at Waterford Speedway. His first race in the EXIT Realty ProTruck touring series he achieved a top ten finish out of a field of 23 trucks.

In 2021, Nathan committed full time to the EXIT Realty ProTruck Northeast touring series, which included traveling to tracks in NH, ME, and CT. He finished 7th in points overall out of 43 registered trucks, achieved 4 top 10s and 4 top 5s, and captured the coveted "Rookie of the Year" award, beating out 7 other rookies in the division.

Nathan is a 9th grade High Honors Student at Ponaganset High School. Respected on and off track by competitors, track officials and announcers alike, Nate is always a fan favorite. Being a clean, respectful, highly competitive driver, his name was heard over the loudspeakers throughout his many seasons.
