## NATHAN SMITH RACING SPONSORSHIP OPPORTUNITIES

Thank you for considering sponsorship support for the Nathan Smith Racing Team. We understand the foundation behind the success of any race team are their sponsors! Our team recognizes this and is committed towards maximizing the potential exposure at our disposal for our sponsors.

With 7 years of racing under his belt, 12-year-old Nathan has established himself as a competitive racer, always at the front of the pack, battling for the win at any track. He began his racing career in Quarter Midgets in 2012 at the age of 5 and completed four years of racing in the Junior Honda and Junior Animal classes. He then moved to the Bandolero Bandit class in 2016 and has raced at the Waterford Speedbowl, CT, Seekonk Speedway, MA, and Monadnock Speedway, NH. Nathan pilots a Ford Fusion INEX-sanctioned Bandolero race car, reaching speeds of 80 mph. In 2019, he is looking forward to continued success in the Bandolero Outlaw class.

In 2018, Nathan finished 4<sup>th</sup> in championship points at Seekonk Speedway in a 17-car division. He earned 6 podium finishes, 11 top five finishes, a 6<sup>th</sup> place and a 7<sup>th</sup> place. Nathan was one of four drivers who earned the opportunity to compete in the Phil's Propane Triple Crown Championship Race, also held at Seekonk Speedway. He finished 3<sup>rd</sup> in the Triple Crown Championship.

Nathan is a 6<sup>th</sup> grade High Honors Student and Student Ambassador at Alan Shawn Feinstein Middle School in Coventry, RI. He also plays competitive soccer for the town of Coventry.
